

Michelle J. Perkins, Esq.

After being admitted to the practice of law in 1994, Ms. Perkins was a sole practitioner for two years before forming Owens & Perkins with her maternal grandfather, C.D. Owens.

No one else in the family is an attorney and Michelle had the wonderful privilege of working side by side with her grandfather for 23 years. After an extraordinary 68-year legal career, C.D. retired in 2017. We literally have generations representing generations.

Ms. Perkins is well-known for her practices in the areas of family law, estate planning, and probate, including representing generations of clients whose families have been represented by the firm since Mr. Owens arrived in

Arizona back in 1967. Things have certainly changed over the years, but through good times and bad, the firm has been here for our valued clients, and in 2022 the firm celebrated its 55-Year Anniversary!

Ms. Perkins believes in giving back and has held many pro bono positions over the years, including serving as: the Chair of the Superior Court Domestic Relations/Mental Health Committee (2 years), a board member of the Scottsdale Bar Association (6 years), a Board Member of the Homeless Legal Assistance Project (6 years), and serving as a Judge Pro Tem for the Maricopa County Superior Court in family law and probate matters, with an emphasis on settlement conferences for complex, high asset, and high conflict litigation.

In recognition of her outstanding work, some of her most notable achievements include:
